

Arbor Rose

by Jason Schneider

Created March 2024
 Favorite paper: Tant or Astrobright
 Recommended size: 20cm+

1. Fold and unfold.

2. Fold and unfold.

3. Turn over.

4. Valley fold the corners to the middle.

5. Turn over and rotate.

6. Swing the layer behind out while valley folding between the points.

7. Unfold the previous step. Note the circled segments are not creased.

8. Repeat steps #6 and #7 on the three remaining sides.

9. Turn over and rotate.

10. Unfold one corner.

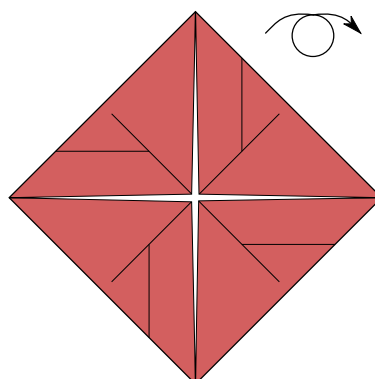

11. Fold and unfold at the marked point.

12. Valley fold the corner back to the middle.

13. Repeat steps #10 through #12 on the three remaining sections.

14. Turn over and rotate.

15. Valley fold on the existing crease, letting the corner beneath swing outward.

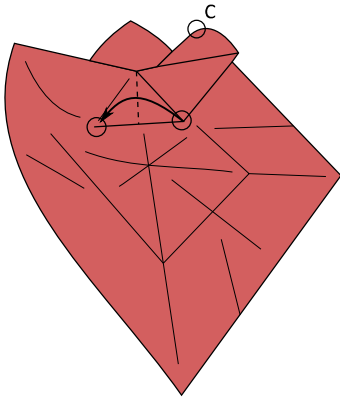

16. Crimp on existing creases. Make sure the circled corner "B" flares upward.

17. The result. Turn the paper around to see the other side of the crimp.

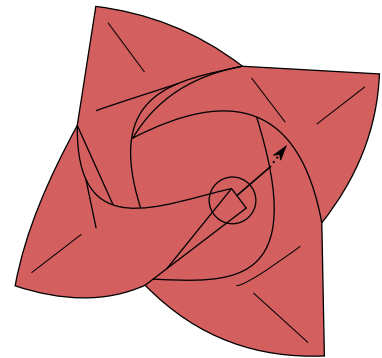

18. Carefully valley fold on the existing crease to see the other side of the crimp. Do not crease the circled area "C".

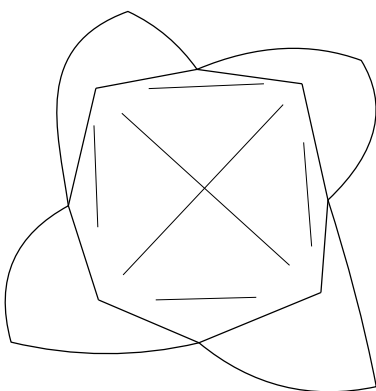

19. Valley fold the triangle of the crimp in half. Note the circled area "C" is not creased.

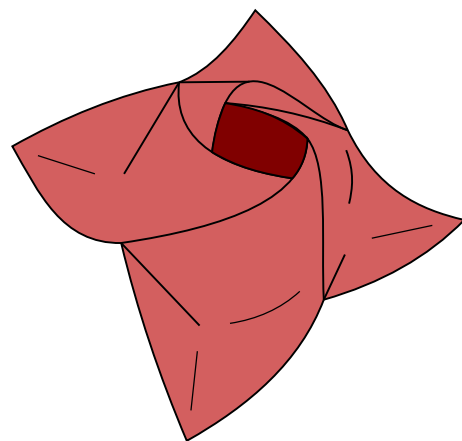

20. Repeat steps #16-19 on the three remaining edges.

21. Tuck the loose corners into one another.

22. View of the backside for reference.

23. Complete!
