

Swan

Swan (by Alena Ivanova)

1. Fold the left top corner to the right bottom corner.
2. Unfold the paper.
3. Turn a square to make a diamond. Fold the left corner and the right corner to the middle crease.
4. Fold the bottom corner to the dot along the dotted line.
5. Make the mountain fold along the central line.
6. Pull out a triangle the way the left edges of the layers meet.
7. Make the inside reverse fold.
8. Swan is complete.
