

~Penguin Race~

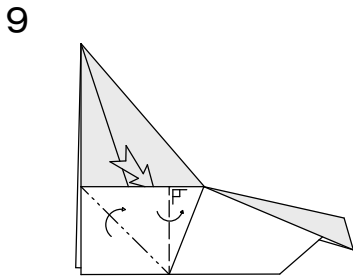

Designed & Drew the diagram by Origami_zuki

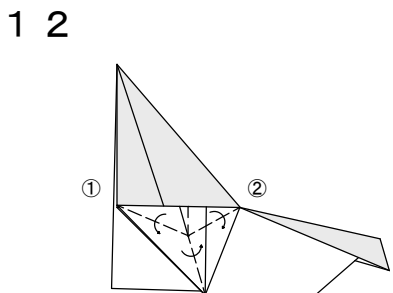

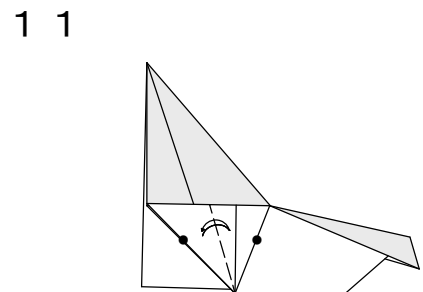

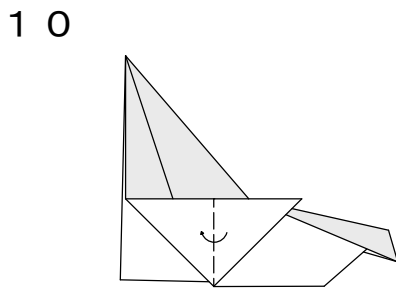

Make creases by mountain fold

Collapse using the creases

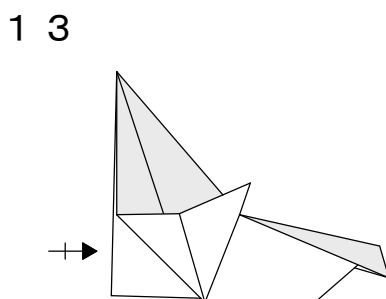

The result of steps up to 7

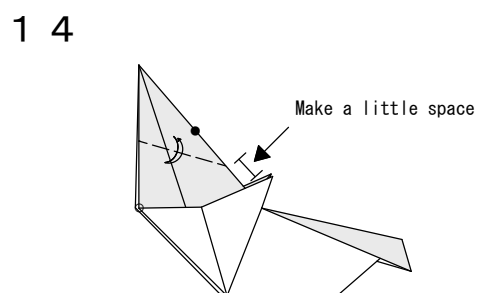

Open and flatten the corner

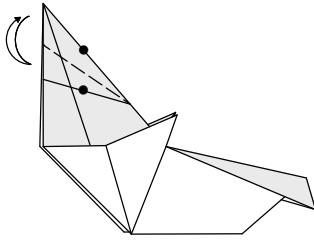

Fold the corner ① and ② by the half angle

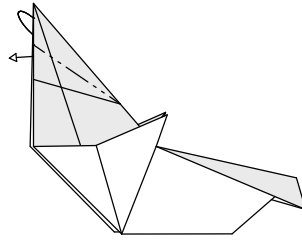

Repeat 9 ~ 12 the other side

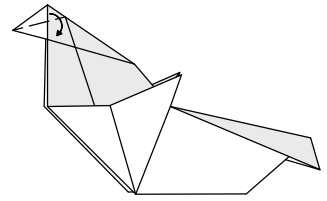

1 5

1 6

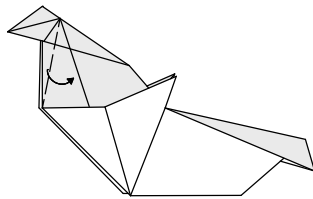

1 7

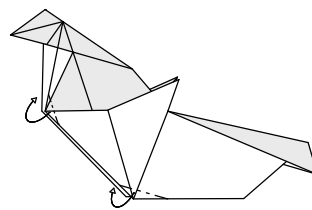

Fold with the crease

1 8

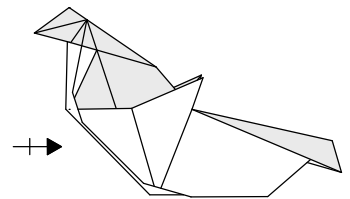

Pull out the corner
with valley folding

1 9

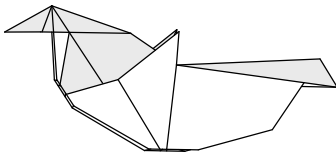

Fold 2 corners inside
by estimation

2 0

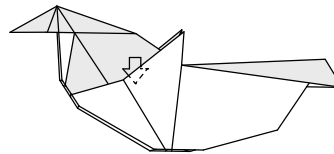

Repeat 1 7 ~ 1 9
the other side

2 1

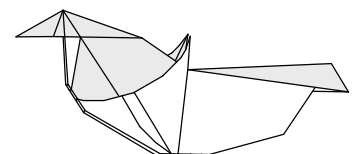

The result of steps up to 2 0
★Finishing this step creates
a flat wall decoration

2 2

Push out the paper
(Same at other side)

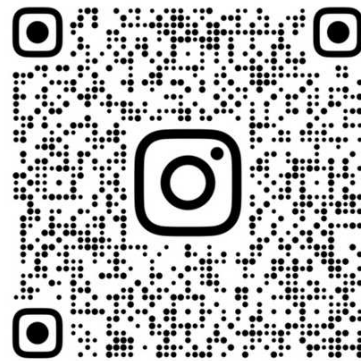

2 3

You're done!

Thank you for folding my designs!
