

CONTAINER

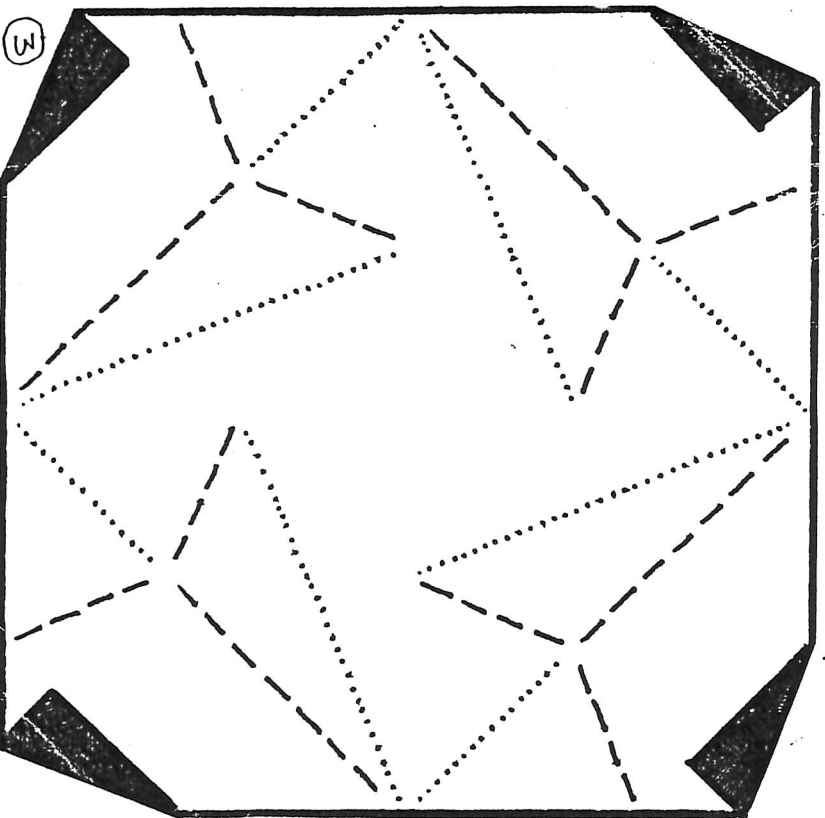

1) Blitz-fold all corners of a paper square then make the above 8 pre-creases by folding the outer edges to meet the diagonals.

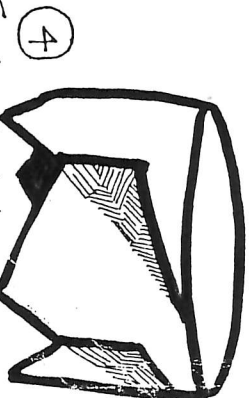

MOUNTAIN VALLEY

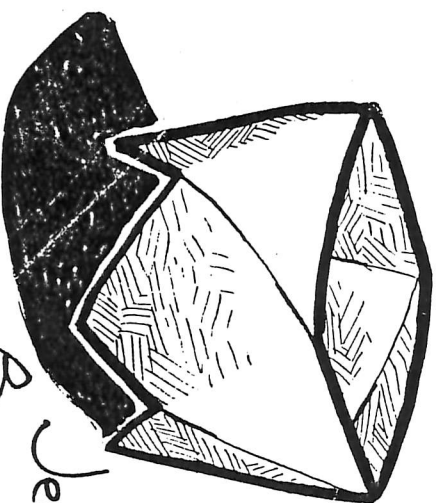

2) Open out your paper and make 4 more pre-creases near corners then mountain-fold tips (white side up, meeting raw-edges to these pre-creases) as shown.

3) Carry out the above collapse-folding (Paperclips can aid method).

4) Treat shaded tips as "flaps" + tuck all 4 of them into the "pockets" lying behind.
